Women Chief Executives Summit 2026

The Women Chief Executives Summit returns in 2026, building on the remarkable success of its inaugural edition in 2025, which established a powerful platform for female leadership dialogue, visibility and action. Last year's event gathered over 200 senior leaders across the financial industry and beyond, featuring distinguished speakers from around the world, from C-suite executives steering the world's top 50 banks, insurers, and asset managers, to Olympic athlete and cultural pioneer. A full list of 2025 speakers can be found [here](#).

What began in 2018 as a shared commitment among eight female chief executives to advance gender equality has grown into a powerful network of over 60 chief executives today. While women now represent 45% of senior leadership in Hong Kong's financial industry — as documented in KPMG's 2025 research — WCE's mission reaches further, with commitment to ensuring that progress is structural, sustained, and industry-wide.

Under the theme “***Female Voices of Impact and Innovation***”, the WCE Summit 2026 will extend its reach with greater participation and an enhanced programme spotlighting the pivotal role of women in technology, innovation, and emerging sectors. Moving beyond what has been achieved, it will examine how inclusive leadership, cross-sector collaboration and decisive action can strengthen organisations, empower talent and contribute to Hong Kong's long-term competitiveness.

The Summit presents sponsors and partners with a distinctive opportunity to engage directly with the decision-makers shaping Hong Kong's financial and innovation landscape — and to demonstrate a genuine commitment to diversity, talent development, and industry advancement. More than a high-profile gathering, it is a catalyst for lasting change, bringing together established and emerging leaders to exchange ideas, build partnerships, and help shape a leadership landscape that is more inclusive and better equipped for the demands of tomorrow.

We invite forward-thinking organisations to join us as partners in this work. To discuss sponsorship and partnership opportunities, please contact Barbara Law of Plus Concepts at (852) 8203 6091 and wce@plus-concepts.com.
